- Aerify ALL Greens Monday August 13th – Entire course closed all day*

*** If it rains, this work will be postponed and performed on the next available day**

September – Course Closed every Monday until 11:30 AM (except Labor Day (Sept 3rd) – closed on Tuesday (Sept 4th) morning instead)

October - Course Closed every Monday until Noon.

- Aerify ALL Greens Monday October 1st and Tuesday October 2nd – Entire course closed all day*

We will try to finish in one day, but this late in the season, we not have enough day length, If we do not finish on Monday, then we will finish on Tuesday, October 2nd. The odds are that the Cameron will be open at the very least on Tuesday.

*** If it rains, this work will be postponed and performed on the next available day**

- Course Closed Monday, October 22nd, and Tuesday, October 23rd, for fairway and tee fungicide applications*

- Greens Cover installations week of October 29th & 30th – covered greens become closed for the season.

*** If it rains, this work will be postponed and performed on the next available day**
