Good afternoon!

Happy St. Patrick's Day!

With the recent warm weather, the ground has thawed enough to pull the stakes out of the greens and remove the covers! To our delight and satisfaction, the greens look GREAT so far. Jon and the crew have the Cameron greens uncovered (except for #6 where it was still frozen) and are now cleaning up the course in an effort to open Monday, March 22!

Golf Professionals Dave Broeder and Marlin Hanson will be in the pro shop, and tee will be available on a first come first serve basis. The Championship 18 will open as soon as possible - looking at possibly March 29. The clubhouse bar and restaurant schedule will expand as the golf course opens.

Please stay tuned for updated information through the radio and newspaper, and of course, your Buffalo Hill E-News!

We're looking forward to seeing you!

KGA Board of Directors, Staff & Management

#18 Champ.

Thank you for taking care of beautiful Buffalo Hill Golf Course!

#12 Champ.
