Good morning members and golfers!

Well, if you wanted hot temperatures, you sure weren't disappointed over the weekend, and it appears that the forecast is perfect for the week, which is very typical for this time of year in the Flathead Valley!

Just a reminder that although Buffalo Hill is one of three host courses for the Governor's Cup this Friday and Saturday, we **will be open** for play **AFTER the Governor's Cup** event. And remember, **the Cameron 9 is OPEN BOTH DAYS** as normal!

As you may have heard, we had several items stolen from unlocked cars in our parking lot this past weekend. However, with the assistance of a couple of BHGC members, our staff was able to "keep an eye out" for unusual behavior, which led to identification of the thief. Although this does not happen often, please be sure to always keep your car doors locked.

The golf course is ready for you...call 756-4530 for your tee time!

Steve Dunfee, General Manager

From the Golf Course

Alluvial: We stumbled upon a rather large irrigation break Sunday morning on #4 Cameron! The water, mud and hole are significant. This leak was running about 300 gallons per minute for an hour! 18,000 gallons of water, thankfully, it was caught within an hour!

To see a larger image of this irrigation break, go to <http://www.golfbuffalohill.com/sinkhole.html>

Adjustment: We will be attempting to level the MSGA yardage plates on the tees this week

10 - 4: The greens continue to roll just slightly more than 10 feet. Yea!

Leaner: The old leaning Rocky Mountain Juniper behind and to the left of #4 Champ Green began to sag even more and its branches were touching the ground, so we had to remove a portion of it to be able to paint the red lines.

Swans: It has been suggested that placing swan decoys in the ponds will remove the geese from the golf course. Most decoys only work for a short period of time.

Still Holding: We haven't found any time to finish the new tee at #3 tee. Someday soon?!
