

## **KOFI Radio Charity Scramble Benefits United Way**

The 22nd Annual KOFI Radio Charity Scramble at Buffalo Hill Golf Club Sunday, raised in excess of \$4,900 for the United Way of Flathead County.

The tournament drew a field of 40 four-person teams. Besides the sponsorship of KOFI Radio, dozens of other prizes were donated by businesses throughout the county.

Highlighting this year's event was a hole-in-one on #9 on the Championship 18 by Derek Benson of Kalispell. Using a seven-iron, he aced the 179-yard hole and pocketed \$5,000 cash from hole sponsor Pacific Steel and Recycling.

The tournament has contributed more than \$115,000 to the United Way fundraising campaign over the last 22 years. The United Way agencies service youth, families and the elderly and also provide emergency and mental health care to 47,000 residents of Flathead and Sanders counties.
