All contributions to Junior Golf Program are greatly appreciated

MISSION STATEMENT

We believe that a golf course is the best place for kids to grow up. Teaching junior golfers, who are the future of the game, the fundamentals of golf and golf's life lessons - like honesty and integrity - is our purpose.

We have remained committed to our core goals since the first tournament was held in 2004, and continue to provide the following support to junior golfers in the Kalispell area:

- Buffalo Hills Golf Course no charge range balls available by scholarship to ten deserving juniors*
- Assistance to the high school golf teams for items that their budgets do not cover (golf bags, team clothing)*
- Providing more than \$110,000 in scholarships to juniors who have come through the golf program and are on their way to post-secondary education*
- Assistance to those junior golfers who have qualified for national-level tournaments and need some help getting to those events*

There are many ways you can contribute to the Alice Ritzman Golf Tournament and the junior golf programs the tournament supports. Please join us – by playing in the tournament, becoming a tee box sponsor, donating prizes or auction items, or committing to be one of our presenting sponsors.

**THANK YOU FOR YOUR SUPPORT OF
FLATHEAD VALLEY JUNIOR GOLF!**
