

## *Buffalo Hill Golf Club - Memorial Program:*

The purpose of the BHGC Memorial Program is to give individuals or organizations an avenue to remember and honor loved ones who have passed away. The details of the program are as follows:

- Permanent recognition will be made in the form of listing the individuals or organizations making the memorial, and who it is remembering on the memorial plaque to be located in the trophy case area in the main clubhouse. Further recognition will be made in the BHGC newsletter and listed in the Memorial link on the BHGC website.
- Memorials or gifts of \$250 or more will be recognized and engraved on the Memorial Plaque and placed inside this case. Memorial funds raised will be used for the BHGC tree fund or general capital improvement fund as requested by donor.
- **Note:** All existing memorial markers on the grounds of BHGC will remain on the course. All future memorial markers will fall into the above guidelines.

Supervision of the Memorial Program will be the responsibility of the Memorial Committee with the assistance of the General Manager, PGA Golf Professional and Golf Course Superintendent.

*Please contact the main office about any questions you may have or to inquire about a memorial gift. Thank you!*
