## Buffalo Hill Golf Club

**A Mark Oge print is an awesome Christmas gift!  
Only \$165**

### **From the General Manager:**

Only two weeks left before Christmas day! Enjoy your family and friends, and if you're in the neighborhood, stop by the clubhouse - it looks beautiful.

A quick reminder that members have until February 15, 2019 to submit agenda items to the Board of Directors for the annual membership meeting in April. If you have an agenda item for consideration, please submit details in writing to the Board of Directors by February 15. The Board will review and follow up with any necessary action.

Looking forward to seeing you this week! Come up for lunch, and renew your 2019 pass while you're here.

Steve

### From the Golf Course Superintendent:

Many of you have seen me out on the golf course this past week checking on "what's happening" underneath the greens covers. The frost line isn't very deep, so I've been able to remove several stakes and take a peak at the conditions on selected greens. I've reached out to the manufacturer of the covers and feel good about our discussion. The bottom line is that we will continue to monitor the greens and respond with action, which may include early removal in the spring!

Let's pray for snow cover as that's the best cover for our turf!

**Season Passes make great gifts!**

### From the Golf Professional:

If there is still holiday shopping to be done then stop by the golf shop. There is still a decent selection of golf attire at 50% off and if all else you can purchase a gift card.

I hope everyone has started enjoying their winter activities. The ski resort is now open so that's where I will be!
