From the Golf Course Superintendent:

This past Thursday was our first greens committee meeting! I think we had some very good conversations, some great questions, and I KNOW all of us are excited for the 2019 season!

It definitely feels like the season is getting close now. I'm looking forward to getting the crew back so we can get going on preparing the course for the opening of a new season of golf!

Sadly, mother nature is keeping us at bay from getting started. I know she will turn things around. Unfortunately, it's her schedule not ours!

Thanks for renewing your membership at BHGC! We're here to serve YOU.
