

Driving Range is Open!

Buffalo Hill Golf Club

Cameron 9 scheduled to open April 10 - weather permitting.

From the General Manager:

Good morning!

While a bit on the April chilly side, we hope you were able to get out and hit some balls this weekend. We're excited to have the range open, and now looking forward to the Cameron 9 on Wednesday. The Championship 18 will open soon - check the [BHGC website](#) for updates.

The food and beverage operation will resume weekend hours this

Saturday and will be open 7 days a week starting tomorrow (see F&B section below).

Reminder that the Hall of Fame Induction Ceremony is at 6:00 on Wednesday, April 24, followed by the annual meeting at 7:00. Take a look at the [agenda](#) for the meeting. The proposed by-law changes will be available for your review on the website later this week.

Looking forward to seeing you!

From the Golf Course Superintendent:

The covers are off and the snow is almost all gone! The clean up process is underway. Unfortunately, the winter snowfall, rainfall in January, and sub-zero temperatures in February, created ice damage on several greens. We have immediate plans to begin recovery of these areas.

We do believe that the Cameron will open this Wednesday, barring any surprising snow storms.

We are hopeful the Champ will open in time for all league play!

BHGC Ladies League Meeting

Ladies League Captains meeting on April 9th @ 5:30

The 2019 season will be reviewed and captains will set fees, schedules, and verify returning teams for the 2019 season.

All team captains or their representatives are urged to attend. Anyone interested in

forming a new team, playing on a team or being a league substitute is also invited.

For further information, please contact:

From the Golf Professional:

Driving Range Open for 2019: Along with the opening of the driving range, the BOD has adopted a new policy related to carts on the tee. In an effort to improve conditions on the range and to give the superintendent an opportunity to implement best practices related to turf care, density, and playability, motor carts are restricted from the range tee. Thank you for your cooperation - we hope to improve the range tee turf for your enjoyment.

NEW Pro Shop Inventory: Come up and check it out - I think you'll love what you see!

Junior Scholarships: We are still taking applications for junior golf and range scholarships. Follow this link to find the form on our website, or stop by the golf shop to pick one up. <https://www.golfbuffalohill.com/events/miscellaneous-forms-schedules/>.

Flathead Valley Match-Play: Entry forms are out for our annual two-person match play event benefiting the American Cancer Foundation. Get a partner if you don't already and get registered!
