## E-News from Buffalo Hill:

Good morning~

As we have reported in past e-news editions, BHGC continues to work on funding and solutions for the river bottom erosion issues. Recently we applied for a grant through the DEQ and the Clean Water Act, unfortunately, we received a letter last week indicating that due to the number of applicants across Montana to share the \$900,000, we should not re-submit our application. Yes, this is a nice way to say that our application was denied. We will continue to search and look at every opportunity to find funding for erosion issues that must be resolved.

Finally, several BHGC members are upset and tired of seeing cigarette butts littering the golf course. We'd really encourage no smoking, but if you must, we kindly ask that you dispose of cigarette butts by placing them in a non-flammable container (pop or beer can) then place it in a garbage can. We all love the golf course in such great condition – let's all respect the work our hard working crew does to make the course enjoyable for us to play. Thank you for your understanding.

The good news – Buffalo Hill was voted the best golf course in the Flathead Valley! Get out here and enjoy the beautiful fall colors!

Steve

### A few very important reminders – ya just gotta know!

- Members may book online at [www.golfbuffalohill.com](http://www.golfbuffalohill.com). If you have any questions, please feel free to give us a call at 756-4548.
- Please operate ALL CARTS in a safe and respectful manner – there's an audience of golfers and homeowners around the golf course. Let's show them we respect the course.
- Several members have asked that we kindly ask that whoever is spitting sun flower seeds and pistachio shells on greens and tees, well, to stop. If somebody is doing this in your group, let them know that it just isn't very respectful. "Please be respectful of others" that are following behind you. THANK YOU!!
- Cigarette butts - Please, nobody likes to see these scattered around the golf course. :)

### Golf Course Superintendent:

**Consensus:** The Greens Committee discussed the Target Rings, and concluded the benefits outweighed the shortcomings. So we will continue to use them, but can reconsider this decision whenever necessary.

**Delbert Wilken:** We plan to renovate the Wilken Memorial at the Half Way House before we tackle the next bunker face.....if we can find the time!

**GUR:** We hope to open the bunkers on the right side of #9 champ this week.

**Frost:** Please remember to stay off frost-covered turf, especially putting greens, until the frost has melted. Thank you!

**Un-Poplar:** Several of the poplars, especially between #1 and #2 champ, have declined and are dropping large branches. We will removed the bad ones, and hope to replant other species.

Jon Heselwood - Golf Course Superintendent

### From The Pro Shop:

**Prostate Cancer Awareness Tournament** - Thank you to all players for your support of this great cause. Results are posted at <http://www.golfbuffalohill.com/events/tournament-results/>

**Hole-in-One Club** - On Friday, September 16, as Buffalo Hill member Rick Smith scored an ace on Championship #9, at virtually the same time. Doug Nesbitt was busy making an ace on #12. Smith's group teed off 40 minutes behind Nesbitt, so his ace on #9 was within five minutes of Doug's on #12. Smith used a five-hybrid on the 179-yard par three. It was his second career hole-in-one and was witnessed by Dale Haarr, Jim Hanson and Stu Johnson. You'll also note that there was a Hanson in each group, though not related!

So, this is the 16th, or maybe it was the 15th, hole-in-one of the season at Buffalo Hill, the third on #9 and the third within two days! This would be a great time to play Buffalo Hill as the odds appear to be in the golfers' favor for another hole-in-one!

**Play the Cameron Backwards** - Scheduled for Sunday, October 2, this will conclude our tournament schedule for 2016. Thank you for your continued support of the Mixers and Majors!

**Pro Shop Inventory** - We have an excellent selection of clubs and apparel remaining in stock - come up and get the best price of the year. We'd rather sell it than carry it over the winter, so start your Christmas shopping today!

See you on the course,
