Stretch and stretch some more!

From the Golf Professional:

This past year has been a special one with many takeaways.

- Our junior program was a success. We also hit our fundraising goal for the SNAG equipment which will allow us to take golf into the local schools this winter. Thank you to everyone who donated!!
- Our Golf Genius tournament software went over well and will continue to get better.
- The patio came to life this summer and it was so great to see. Carl did an outstanding job out there on the grill.
- Congrats to Mike Combs on his new position. Buffalo Hill will be great under his direction.

Happy New Year! See you in 2019!
