

# Buffalo Hill Golf Club

The patio is open - everyone welcome! Come up and enjoy!

## From the General Manager:

Good morning!

Thank you to the nearly 30 members and guests who attended the "indoor" BBQ this past Friday night! While not quite warm enough for the patio, the clubhouse was "fireplace" warm and comfortable to enjoy Chef Carl's amazing BBQ Ribs! Be sure to put the Friday night BBQ's on your schedule!

We continue to encourage ladies and men's league players to enjoy dinner at the clubhouse after your round. Chef Carl is always open to menu ideas - so be sure to continue to let us know what you'd like!

Have a great week and pray for sunshine!

## **From the Golf Course Superintendent:**

This week will be using an aeration company that will inject a soil amendment into the greens. This process based on studies should help with water and nutrient infiltration. The other piece is trying to improve our tight soils with a product that doesn't compact.

We'll also be doing more seeding in our thinner areas on the greens this next week.

During our annual board meeting, I had mentioned the greens committee and I have discussed the possible removal of some trees on #1 Champ. I have marked those with some white paint for everyone to take a look at. Please send me your thoughts to my email address listed below - we'd appreciate your feedback!

Thank you!

**Seeding and sodding now in progress!**

**Summer Hours now in effect!**

## **From the Golf Professional:**

The format this week for the Friday Night Mixer will be a modified 4-Person Scramble. The four person events are a lot of fun so find your team soon and get signed up.

Our first **PGA Junior League** match was yesterday here at Buffalo Hill. Our two home teams just so happen to be playing each other the first week of the season, and it was truly a great way to start. Thank you to all the parents and family who were there to support and help facilitate.

The **Mizuno demo day** on Saturday was a success! Just a reminder that **Callaway will be here on June 8th and PING will be here on June 21st**. Both vendors are taking reservations, but of course there is no obligation to buy - so even if you're are just curious, we recommend making an appointment.

The **golf shop hours** are changing for the summer and will now be **6:30am – 8:00pm and 6:00am – 8:00pm on the weekdays and weekends respectively**. We will take tee times over the phone starting at **7:30am** throughout the summer.
