

Buffalo Hill Golf Club

**Happy Memorial Day! Attention all Active Military and Veterans;
ask for our special "Military Rates" in honor of your service!**

From the General Manager:

Good morning!

Hope this finds you and your family and friends enjoying Memorial Day weekend - and hopefully on the golf course!

This is the kickoff to the summer season, and while it may have been a bit on the cool side the last couple of weeks, we sure to get our summer weather soon! Keep swinging and perfecting your game with lessons from your PGA Professional! Caution: Self help on your golf swing is not advisable as it can lead to bad habits and high scores.

The Dick Seddon Memorial Scramble is June 9. This event is a capital fund raiser for Buffalo Hill, so get your team together and enjoy the day making birdies, pars, and maybe even an eagle or two!

Finally, remember the Friday night BBQ's and league dinners need your support! You won't find better food and a lower price for A+ quality from the best Chef in the Flathead; Carl Inselman! Carl enjoys meeting members and guests - be sure to introduce yourselves as you make it through the BBQ.

Speaking of BBQ....don't miss today's SPECIAL Memorial Day BBQ served from 11:00 to 4:00.

From the Golf Course Superintendent:

I appreciate the responses about the trees on #1 Champ. Not to surprise you but, it is a mixture of comments.

After a lengthy discussion at the May 22 Board of Directors meeting, we've decided to proceed with plugging and/or sodding larger areas of the champ greens. In areas where we are seeing the Poa come back we will push to get it to regrow and fill in. Poa is a tenacious and opportunistic type of grass, but unfortunately, it's not the strongest surviving grass. We will also be seeding some bent grass in as well in hopes to get it established too.

The Dry Jet aeration went very smooth. We should see some good results in plant health and water absorption too.

Thanks!

Seeding now in progress!

Summer Hours now in effect!

From the Golf Professional:

A congratulations is in order to the recipients of the Junior Achievement Award and Ritzman Junior Range Pass. There were many great candidates this year, all of whom are very deserving of such an award. Scholastic achievements, leadership experience and extracurricular activities are some common threads amongst these juniors, and we are happy to award their efforts.

The following juniors were awarded Junior Achievement award and/or the Ritzman Junior Range Pass:
