**Check Out the Areas on #3 and #11  
Now Marked Red!**

### **From the Golf Professional:**

Our PGA Junior League season came to an end on Sunday. We hosted the League Championship here at Buffalo Hill and with teams from Indian Springs, Village Greens, Whitefish Lake, and Meadow Lake. Our team #1 played Whitefish Lake for the league championship and came out victorious. Thank you to all the friends and families who came out to support the juniors. We had a great season!

The Ladies Invitational is this Wednesday starting at 9:30. We have 32 teams playing this year which is fantastic. Great job Keli Pelc and Annie Gladden putting this together.

Second round match-play was due to be played by tomorrow, but the deadline will be extended to June 30th. Please schedule your matches soon if you haven't already.

Finally, we have marked the areas behind and to the east of #3, red. with a drop area. And behind #11, also red, which under the new rules is now simply a "penalty area" and no longer considered a "lost ball" subject to stroke and distance. This will provide relief and help with pace of play.

**Cart Path Work is Underway!**

We've gotten started on the paths! I wish I could say this was going to be quick and easy. It tears out quick, but the picking up piece is slow. We will continue to go as quickly as possible!

Thank you all for your input on the tree removal proposition! As you likely know, the comments came in slightly leaning toward selective removal (with great care). After significant discussion at the Greens Committee and Board, we will remove one selected tree on #1, and then assess the impact.

**Thank you for your input on the trees and patience on the cart paths!**
