

Buffalo Hill Golf Club E-News 7/1/19

Good morning!

As we move into the peak season, we'd like to extend our most sincere thanks to our members for their continued support of Buffalo Hill Golf Course. Our individual and corporate members are critical to the overall success of BHGC - we appreciate YOU!

The F&B operation continues to grow as demand for private parties is on the rise! The clubhouse and patio is an awesome venue for your business function - or just a comfortable place for friends and family to enjoy!

With the weather now warming to summer conditions, you'll see the patio bar open more often! As reported this past spring, the patio bar will be open as often as possible based on demand and weather conditions. This past spring was cold and wet (springtime in Montana!) which kept patio bar days to a minimum.

Important: As you're all aware, the patio

furniture and pavers is a big part of the awesome patio environment. In an effort to prevent scratches to the pavers, and to keep the furniture in good condition, we respectfully ask that the tables not be moved. Thank you for your cooperation and understanding.

Have a fabulous week!

-- Steve Dunfee, General Manager

Thank you to our KGA Ladies!

From the Golf Professional:

A big thank you to Kelli Pelc for putting on a great Ladies Invitational this year. It is always nice to see such great participation from the ladies. There was also an overwhelming amount of support for the Abbie Shelter, raising nearly \$400 as well as an overflowing box of donations. A big shout out to all who contributed! Look forward to seeing everyone again next year!

The Ritzman Scramble is less than three weeks away now, so don't wait to reserve your morning or afternoon time. Each shotgun will be limited so don't wait. Judging by the entries we have seen so far we could fill up very quickly.

I hope everyone has a great Fourth of July week with family and friends - and a little bit of golf! It looks like the summer weather is finally here, so be sure to take advantage of it. Our summers are too short not to!

-- Casey Keyser, PGA Head Professional

Wind and rain won't keep us away!

The storm on Thursday stopped us from getting our typical mowing done for the weekend. We received a half inch of rain in approximately 30 minutes!

We still have plenty of branches a tree and the top half of another to clean up. This gave us a quick head start on firewood for the club house.

I must give a huge thanks to my crew's hard work on Friday, and for getting the course ready for the weekend!

Thanks!

-- Michael Combs, CGCS
