

## Buffalo Hill Golf Club E-News 7/15/19

Good morning!

As you may have noticed, the F&B and patio is in full gear with wedding rehearsal dinners, class reunions, corporate dinners, and of course, our Friday night BBQ's. If you haven't had a chance to come up on Friday night (summers are so busy!) be sure to build a couple into your schedule - the food is delicious and the vibe is awesome!

Thank you for supporting your club and for allowing us to book groups - we depend on our membership and outside groups to make budget and continue to invest in this great facility!

Enjoy your week playing golf with friends and family!

## Support Alice Ritzman's Junior Golf Foundation!

### From the Golf Professional:

Asking for everyone's support this year during our Alice Ritzman Scramble. Your tournament entry and attendance during Saturday's clinic is much appreciated. Alice Ritzman and Dave Schiltz have put so much effort into our local junior golf programs over the years, and this is a great chance to show them your appreciation and support for junior golf, and the future of our game.

## "Sodding!"

I felt it was time to sod a few areas that I didn't feel would recover enough for the main portion of our golf season. There are a some spots on 10, 11, 17, and 7 Cameron that will be getting some sod work as well.

Having better greens for the club championship and Labor Day were also significant factors in the decision.

Thanks,
