**Thank You for Supporting the Alice
Ritzman and Junior Golf!**

From the Golf Professional:

We had a great Sunday here for the Ritzman Scramble. The weather could not have been better and there was some great golf. Congrats to all the winners!!

A special thank you to Alice Ritzman, Dave Schiltz, and Janet Anderson for putting on another great event and supporting our local junior golf. Despite the inclement weather and Saturday evening, the clinic with Alice and Janet was great. Thank you to everyone that stuck around and showed them your appreciation.

Last but certainly not least, the course was in absolutely great shape. Mike and his crew have put in a ton of work and it showed. Thank you!!

Work on the Greens

Last week we punched some 1/4" holes and verti-cut the Cameron greens. I feel they turned out quite nicely.

This week we will be doing the same process on the Champ greens.

Our plan on Saturday will be sodding and doing a slight reshape to the front of #7 Cameron green. Our hope is to help eliminate the puddling areas on that green. As you know it has plagued that green for decades.

Thanks,
