

## Buffalo Hill Golf Club E-News 7/29/19

Good morning,

Congratulations to Buffalo Hill member Logan Lindholm for his top 5 performance this past week at the Montana State Am held at Meadow Lark Country Club in Great Falls. Logan continues to show what a great competitor he is and proudly represents the state of Montana!

Mixers!! I had a golfer ask me last week if she could play in one of the Friday night mixers, but she said she really didn't know what's involved and wondered what a mixer is. So, for her and everybody else who really doesn't know what a mixer is... it's a fun, 9 hole social event that we host on the Cameron 9 on Friday evenings! The game is played as a team of one guy and one gal, and the game format varies from week to week. But the fun is in the social aspect of the game - with no pressure shots and plenty of laughs with other couples.

Consider this an invitation to our members and non-members to come up and enjoy a Friday

night mixer with us! For more information, please feel free to call the pro shop at 756-4547.

Enjoy this beautiful summer weather!

## Get Ready for The Club Championship!

### From the Golf Professional:

The Club Championship is right around the corner! We would love to have everyone's attendance this year so don't wait to stop by the golf shop and sign up. Labor Day entries are still coming in at a steady pace. Don't wait too long to sign up for this either if you are planning on playing.

Our Junior Buffs program ended this last week and it was another great year. Not unlike last year, many improved their golf games while strengthening and finding friendships throughout the summer. We are all looking forward to the kids continuing to golf the rest of this season and seasons to come.

## Trees & Sodding

Every windy day we've had lately, I've been asked if that one tree has blown over.

Well, sometime Saturday night about half of "the tree" (yes, the willow tree) on #13 came down. Due to safety concerns, Greens Chairman Lee Terry and I both feel it's best to remove the remaining portion of the tree that's still standing. It's sad to see the willow come down as it truly created one of the toughest par 4's I've ever

played.

I think some trees to the right of where the willow stands would allow the hole to be opened up, but still have that narrowed appeal that its always had.

The sodding on 7 Cameron should be completed tomorrow afternoon. Thank you all for your kind comments as we work on this green - long overdue!

Thanks,

-- Michael Combs, CGCS

## F&B Special Announcements:

### **Beverage Cart Service:**

Like everything else including ourselves, the beverage carts are getting older and starting to wear out. In order to extend the lives of the carts, we are having the cart remain stationary at #5. Beverage service is therefore available at the clubhouse before your round, then hole #5, then the HWH at #10 tee, then hole #15, and back to the clubhouse/patio to socialize and talk about your best shots! Have you ever seen the beverage cart drive in circles (the riverbottom route) and seem to miss you? Now you know exactly where to find her.

Thank you for your understanding. We may have a new beverage cart on the wish list for 2020!

### **This Week's Friday Night BBQ:**

Due to a pre-scheduled Class Reunion the evening of August 2nd, we will not be serving dinner this Friday evening. We thank you for all of the support you have given the Food and Beverage Department throughout the year - it's very much appreciated!
