

Buffalo Hill Golf Club E-News 7/8/19

Good morning,

What an awesome 4th of July weekend here at BHGC! The golf course was busy, the BBQ's were delicious (thanks Chef Carl!) and the range was busy as ever! Thank you for spending time with us!

I had a couple of long-time members stop by over the weekend and asked if they could put out a "plea". Their request to the membership is to be a good steward of the course and to take pride as a member. Help make the course look good by picking up wrappers, plastics, broken tees, always repair ball marks on the greens and fill your divots in the fairway. It's infectious - if members see others taking care of the course, they will too! So let's band together and do our part to make BHGC the best course in the Flathead Valley.

Finally, we extend a warm invitation and encourage the general community and BHGC members to come up and enjoy the patio! Cool

drinks, fabulous food, and just a great place to relax!

Hope to see you here with friends and family.

The Alice Ritzman Scramble is Almost Here!

From the Golf Professional:

We are less than two weeks out from the Alice Ritzman Scramble. I am anticipating a great turnout and one of the best years this tournament has had. As I'm sure you have heard, U.S. Open winner, Janet Anderson, and Alice herself will be putting on a clinic the evening before. Two golfers who have played at the highest level the sport offers will share their stories, thoughts, and advice. Regardless of the sport, anyone who has played and performed at the highest level gets my full attention and admiration. Their advice is priceless and could change your golf game forever. This will be a rare opportunity that you won't want to miss, and a chance to give back to the junior golf community.

-- Casey Keyser, PGA Head Professional

"Carts!"

Over the past several weeks I've witnessed people having skidded their carts or rental carts into a 360 degree maneuver, and drive within 30 yards of a green without a handicap flag.

Cart Policy: Carts are to be no closer than 30 yards from a green, and once you are close to the green, your cart should remain on the cart path where available.
