

## Buffalo Hill Golf Club E-News 8/26/19

Good morning!

Well, here we are, the end of August and Labor Day weekend ahead! If you haven't signed up for the big event, be sure to get your entry in today! This is truly a very special tournament with some of the finest people coming from all over the United States and Canada! And not all are traveling for just the golf - it's the people and social events that complete the experience!

This is also Board meeting week, and as always, the [agenda](#) is full. Take a look and feel free to attend.

Have a great week and enjoy all that BHGC has to offer!

## "It's Time for Labor Day"

### From the Golf Professional:

Labor Day week is here and the forecast could not better! There are still spots available for the weekend if you are wanting to play. Final deadline is Wednesday at 12:00. It's going to be a great weekend!

Congratulations to Jason and Reilly Manger on their victory in the Flathead Valley Match-Play this summer. There were some great matches throughout the summer - and the championship match was no exception. Roy Beekman and Don Walter put up a great fight, but in the end, the Mangers won 2&1. Looking forward to next year's bracket already!

Great job Stumps Pumps on your double sided victory this year in men's league!

## "Golfer's Creed"

### From the Golf Course Superintendent:

#### GOLFER'S CREED

Golf has been good to me!  
As a golfer, I will RESPECT and be good the the game of golf.

Etiquette - I will abide by the rules of etiquette, awaiting the proper time to hit, refraining from foul language and boisterous behavior, and generally conducting myself as a lady or gentleman on the course. (Ooh, I fail at this one sometimes)

I'm looking forward to our biggest event of the year this weekend! Labor Day has always been an enjoyable tournament to play in, and now I get to prepare the course for all of us to play!

I'm sure you will see some differences than in past years as I have a different view than Jon or Pat - and I think they set it up quite well. I've always enjoyed playing to see what they were going to do. I hope you all enjoy this year too!
