

Buffalo Hill Golf Club E-News 8/5/19

Good sunny morning!

Well, we're in the middle of our summer season - I hope you're all enjoying many rounds of golf!

Thank you for voting BHGC the best golf course in the Flathead Valley! We're ALL excited about this honor and will continue to work hard to retain the top spot. Hat's off to Mike Combs and our fantastic grounds crew for the tireless efforts to make BHGC such a great place to play golf!

Finally, I'd like to thank the membership once again for their patience this past weekend. We had two large parties which required full use of the patio and clubhouse on Friday. This is the last time this year that the patio will be closed due to an outside event. We hope to see you this Friday as we resume our Friday night BBQ schedule.

Have a great week and enjoy golf and socializing

at Buffalo Hill Golf Club!

Get Ready for the Club Championship!

From the Golf Professional:

Club Championship week is here! Can't wait to get it started. Defending champs Logan Lindholm and Wendy Madison will look to repeat this weekend. It will be a weekend as usual with what I'm sure will be some great golf and great weather.

New this year for the Club Championship is an option to play the forward tees on the 18-hole course during Sunday's round. This is an effort to make the game more enjoyable and offer a competitive event to those who play from the forward tees. If you are interested, please see the golf shop for details.

Entries are due by Wednesday!

"Willow?"

We have looked at the remaining piece of tree and certainly have some concerns with it. We are having an arborist come and take a look early this week and take his recommendation.

If we thin out the canopy it may balance the weight enough that it won't snap off like the other side did.

If that works it will allow for other trees to be

planted and grow enough that when the willow does fail #13 will still remain the daunting hole that it is.

Good luck to all who are playing in the Club Championship this weekend!
