

Buffalo Hill Golf Club E-News 9/23/19

Good morning!

Welcome to fall golf at Buffalo Hill where the colors are the focus and golf is just part of the experience!

We are now in the "wind down" part of the season. Casey has the remaining pro shop inventory marked ready to move, and Mike is busy with aerification, irrigation blow out, and of course, application of winter fungicide.

The greens covers? The plan for the upcoming winter is evolving, but at least "select" greens will be covered. Mike will keep you informed in his E-News over the next several weeks.

We've also had several inquiries about an architect that

visited the course last month. The Board is mulling over the details and will have a report for the membership soon!

New fleet for 2020? Looks like that's the direction! We should have a deal wrapped up and a decision by the end of October. Stay tuned!

Fees & Rates for 2020? YES! The Finance Committee will have a recommendation for the Board at the October meeting.

Thank you for your membership at BHGC! WE appreciate all of your support!

Enjoy the beauty of fall golf.

--Steve Dunfee, General Manager

"Join Us for the Backwards Mixer & BBQ This Sunday!"

From the Golf Professional:

It's hard to believe we are this close to October. I'm optimistic we will have a steady diet of beautiful Fall weather and get the most out of this 2019 season. These days can certainly be some of the best golf of year.

Spots for the Backwards Mixer are limited so please call the golf shop if you'd like to play. Starting times run from 10:00 – 12:00 this Sunday. The entry fee is \$35 per couple which includes a BBQ following the round.

Join us for one of our last hurrahs of the season!

-- Casey Keyser, PGA Head Professional

"Golfer's Creed"

From the Golf Course Superintendent:

Golf has been good to me!

As a golfer, I will RESPECT and be good to the game of golf.

Educate - I will do my best to educate other golfers on the principles of this creed, by sharing it and living up to it at every opportunity.

Aeration is scheduled to start on the champ today!

We will be pulling larger cores to open up those greens going into fall and ultimately winter.

We are hopeful by the time you tee off at noon on Tuesday to be far enough along you will have 18 greens to play.

The Cameron will be aerated on Wednesday.

Thank you for your patience during this very needed process!

-- Michael Combs, CGCS
