

Buffalo Hill Golf Club E-News 9/9/19

Good morning!

What an awesome run of great weather! Mike has the course in excellent condition, Casey has a year end sale in progress in the pro shop, and BJ is very busy with the F&B department!

The BBQ season is starting to wind down, so be sure to come up this Friday night for one of Chef Carl's best!

Finally, it's that time of year when we try to wrap up member's open accounts. Please give Tessa a call in the main office (756-4548) and she'll be happy to assist! Thank you for your support of all BHGC services!

Have a great week enjoying BHGC with your friends and family!

"Support Prostate Cancer Awareness"

From the Golf Professional:

This Sunday is the Prostate Cancer Awareness Scramble so find a partner and see how low you can go in this two person format.

Clell Hoffman puts in a lot of time and energy every year putting this event together in support of prostate cancer research! Your entry goes a long way to support a great cause.

"Be a Good Steward"

From the Golf Course Superintendent:

"Golfer's Creed"

Golf has been good to me.

As a golfer, I will RESPECT and be good to the game of golf!

Sensitivity - I will be sensitive to the environment and the course where I play - and also to those who maintain and manage it.

From the maintenance management perspective, I like tournaments like Labor Day! Everyone is conscientious about repairing divots, ball marks, (also referred to as pitch marks) and the bunkers are raked after entering to hit a shot!

I so wish it was like that daily! Sadly, we aren't alone with those type of day to day issues - it's an industry wide discussion! But hey, be part of the solution; do your part and also remind those who you play with to be good stewards of the golf course. Each effort is in the right direction.

Thank you for your help in making BHGC the best in the Flathead!
