

Buffalo Hill Golf Club E-News 10/14/19

From the General Manager:

Good morning avid and committed golfers!

The weather is predicated "golfable" through the week - so be sure to get up to the clubhouse for a hot bowl of soup and a sandwich before your round! The fireplace is roaring and ready to warm you up!

Great news! If you haven't heard, the Cameron 9 will remain open until we have snow coverage! Let's plan for a few rounds in November!

Thank you for your support of BHGC!

"Plan for Frost Delays"

From the Golf Professional:

Thank you to our Canadian friends who made the trip down to play in the Can-Am this weekend. We had some cold mornings but two beautiful days of golf. Already looking forward to next year's event!

Just a reminder that the golf shop still has some great deals available. Clubs and balls are 20% off, apparel 30% off and shoes are 40% off. Not too early to get your Christmas shopping done!

As always, thank you for your continued patience with frost delays. Hopefully we will see a few more nice days before we call it a season.

"Preparing Course for Winter"

From the Golf Course Superintendent:

Covers - We are going to cover a few of the typically worst greens. The twist we are going to do is take multiple covers and go over some of the mounding in an attempt to keep all potential moisture from flowing under the covers. A majority will be on the Champ 2, 7, 10, 11 and 7 Cameron.

Thank you for your patience during these long frost delays. It sure seems early for this low of temps.

Thanks,

"Time to Winterize the HWH"

From the Food & Beverage Manager:

Half Way House Closing for the Winter:

With colder mornings and shorter days, the HWH will be closed for the remainder of the season starting today, October 14th. This also gives us time to winterize the Half Way House, which includes winterizing the ice machine, fountain pop machine, vending machines, draining the water lines, etc.

Once again, we want to thank all of you for the tremendous support that you have given the Half Way House throughout the season. It is greatly appreciated! Be sure to grab some goodies in the clubhouse before you hit the first tee!
