

## Buffalo Hill Golf Club E-News 10/28/19

### **From the General Manager:**

Good morning everybody!

A very cold start to the day - and it appears that it may take up residency for a few days. Remember, the Champ 18 will remain open through Sunday, November 3, and the Cameron 9 will remain open until snow or frost cover, so keep the swing going!

The Board plans to approve the 2020 fee schedule this Wednesday - stay tuned on Thursday for announcements related to 2020 fees.

Thank you for all your support - BHGC is fortunate to have such a loyal membership.

Stay warm in the clubhouse - we have a fire going just for YOU! Chef Carl's soups and sandwiches are outstanding - hope to see you here. Casey Keyser has an awesome sale going on in the pro shop, so stop in to see him!

-- Steve Dunfee, General Manager

## "Thank You Everyone for a Great 2019 Season!"

### **From the Golf Professional:**

Despite a late start in the spring and some cold temps this Fall, we really did have a great season here at Buffalo Hill. I cannot wait to see the golf course next year and moving forward as Mike and his crew continue their hard work. Buffalo's best days are ahead!

A BIG thanks to the membership for your support of the club and making Buffalo Hill what we all know it to be. If we don't see you this last week of the season, enjoy your Fall and Winter activities until next season.

-- Casey Keyser, PGA Head Professional

## "Winter Prep Continues"

### **From the Golf Course Superintendent:**

Apparently Mother Nature has decided to bring us winter. We were able to get the fairway and the final greens fungicide applications completed last week.

Pending this weeks weather and the extended forecast, we will make the determination of when we will cover the greens (2,7,10,11,17 and 7 Cameron). The ideal situation is for the grass to be dormant and the ground starting to freeze.

We will be blowing out the irrigation on Cameron and upper 6 holes of the Champ this week.

Thanks,

-- Michael Combs, CGCS
