

## Buffalo Hill Golf Club E-News 10/7/19

### **From the General Manager:**

Good morning!

A busy day ahead as sunshine looks abundant and members looking to get in their October rounds! Have fun and enjoy the beauty out there.

The KGA Board of Directors continue to work diligently on 2020 fees, new fleet consideration for 2020, all new leadership council for junior golf, and other club related functions and ideas for next season. As always, management and the KGA Board welcomes your thoughts on anything related to the operation at BHGC.

*Enjoy the great game of golf with friends and family!*

-- Steve Dunfee, General Manager

**"October Means Possible Frost Delays"**

### **From the Golf Professional:**

We had a great day yesterday for the Backwards Mixer! The weather was perfect and the fall colors made the day that much better. *Thank you to everyone who played yesterday and throughout the mixer season.*

Now that it is October, we inevitably will have frost delays. Don't hesitate to call the golf shop and check on any frost delays that we may have before you come up to play. Those cold mornings are sometimes difficult to forecast and even more difficult to know how long they will last. Thank you for your patience with all of it.

## **"Greens Prep for the Winter"**

### **From the Golf Course Superintendent:**

#### **Golfer's Creed:**

Golf has been good to me. (Yes it has!)  
As a golfer I will RESPECT and be good to the game of golf.

**Traditions** - I will embrace the rules and traditions of this ancient and honorable game, and respect my fellow golfers as well as the courses we are privileged to play!

I've got to give a shout out to Mr. D. Lyon, CGCS who wrote the Golfer's Creed. I did ad lib a little, but he deserves recognition for this.

**The start of our winter fungicide applications** will be taking place Monday on greens - this will be the pre-treat. The final application will take place at the end of the month.

Thanks,

-- Michael Combs, CGCS
