

Buffalo Hill Golf Club E-News 9/30/19

Good morning,

Okay, so a little cool air moved in on us over the weekend! Layer up today and get ready for a warmer October!

Housekeeping: Tessa is trying to close out all open account balances for the season. Month-end statements will go out tomorrow via email as usual. Please give Tessa a call in the main office - she'll be happy to assist. You can also call the pro shop if Tessa is out of the office (she's back to school.)

The KGA Board is considering fees for next season. If you have any thoughts or comments, please send an email - your input is always welcome! The Finance Committee is hopeful to recommend a schedule of fees for the Board to approve at the October 30 Board meeting.

One more month to go - get out there and play golf!

Thank you!

-- Steve Dunfee, General Manager

"Backwards Mixer Rescheduled"

From the Golf Professional:

By now you know the Backwards Mixer was rescheduled for an **11:00 shotgun this coming Sunday**. Thank you for your patience with Mother Nature. Hoping for better weather come Sunday!

For the remainder of the season the golf shop will open at 8:00 a.m. and tee times will be taken at 9:00.

Just a reminder that the entire golf shop is on sale. All **apparel is 30% off and shoes are 40% off**. We still have some new and demo clubs for sale as well so stop in and we can get you set up!

-- Casey Keyser, PGA Head Professional

"Golfer's Creed & Aeration"

From the Golf Course Superintendent:

Golfer's Creed:

Golf has been good to me!
As a golfer, I will RESPECT and be good to the game of golf.

Conditions - I will strive to leave the course in better condition than I find it by fixing ball marks (and those of others), replacing or filling my divots, raking bunkers (bunkers are not ash trays) and properly disposing of trash.

Aeration - All went well other than a bit slow. We used some larger tines and in a different configuration and had a little turf damage. We will be getting those areas repaired (once the weather returns to normal fall temperatures).

Thank you again for your patience during this process!

-- Michael Combs, CGCS
