## "Deep Discounts in the Pro Shop"

### From the Golf Professional:

I am back this week in the golf shop so please stop by if you need anything.

The entire golf shop is on sale and shoes are now 50% off with plenty to choose from. Help us make room for next year!

As many of you have suggested, the cart pass for 2020 has been restructured. To accommodate the single golfer and for ease of understanding and administration, **the fleet pass will now be sold only "by the seat" for \$350**. Moving forward, any player that rides in a cart with a cart pass holder, must pay for their seat or have a cart pass themselves. Simply put, every **cart pass sold is for one seat only**. If riding without a cart pass, the cost of a seat for an 18 hole round is \$20.

If you still have questions, please reach out to me - I'm happy to answer any questions you might have!

## "Covering up!"

### From the Golf Course Superintendent:

Still looking for an opportunity to place covers on six of the greens - looks like there might be a short window this week. We'll give it our best shot!

Stay warm!
