"New Handicap System for 2020"

From the Golf Professional:

As many of you know we are transitioning into the World Handicap System starting in January. There are still many details we don't have but there is one change you should know about moving forward.

Starting in January golfers will be required to post their scores daily through their smart phone, computer, or the posting station in the club house. The posting process is simple and even the least tech savvy individuals should have no problems following along.

I'm hoping to have a more formal report of the relevant changes for everyone in weeks to come. If you have questions before then we will get them answered as soon as we can.

"Covers on - Time for Snow"

From the Golf Course Superintendent:

We were able to place covers on 6 greens as planned - now time for a nice blanket of snow and we'll be pleased!

Happy Thanksgiving to all our friends and members of Buffalo Hill.
