

## Buffalo Hill Golf Club E-News 11/4/19

### From the General Manager:

It looks like nature is taking over as the sun moves away and our winter season draws closer! That said, we're still holding out for a few rounds in November!

As you've likely heard, the KGA Board approved membership fees for 2020 without any increases. Cart storage, trail fees, range, and bundles all remain at 2019 levels. Please call the main office (756-4548) to renew services for next season! And remember, you can **begin making payments for 4 months and have everything taken care of by February 28.** Please give Tess a call in the main office at 756-4548 for more information.

The new fleet of Club Cars will arrive in March, 2020. Please note that we now sell the annual pass **"BY THE SEAT" at \$350. Thank you for your input** on this matter - we agree that it will work better for everybody!

Finally, it's that time of year for gift giving and planning. If you're interested in making a tax deductible charitable donation to Buffalo Hill Golf Course, consider giving

through the Flathead Community Foundation, for the benefit of Buffalo Hill Golf Course. For more information, please feel free to give me a call.

See you soon!

-- Steve Dunfee, General Manager

## "Thank You for a Wonderful 2019 Season"

### **From the Golf Professional:**

It's always bittersweet when Mother Nature decides the golf season is over and the ski season is about to begin. You can't replace the feeling of hitting that perfect golf shot or putting together a great round. That is why golf is such a great game and why we will all miss it this off season.

The golf shop sale will continue be throughout the fall if you have any Christmas shopping to do. There are still some great buys to be had.

Thanks again for a wonderful season! Already looking forward to next season.

-- Casey Keyser, PGA Head Professional

## "Could We Get Lucky?"

### **From the Golf Course Superintendent:**

There is a possibility that a little golf could happen later this week on the Cameron. We still have several greens that are snow covered. Time will tell for golfing. The stakes will be up but, we will partially drop the ropes. Golfing hours could be short. We are thinking 11:00 to 4:00 PM. Weather depending!

We are hopeful for a little drying and then cooler weather

to get the covers on the past mentioned greens.

I want to thank all the members and guests who have made my first year back home so enjoyable.

I need to send a special thanks to my fellow managers BJ and Casey and of course our GM Steve for all their support this year. To my staff (by length of service) Tony, Polly, Daryl and Josh, I'm blessed to have you on my team!

If there are any developments through the winter you will see brief E-News updates from me.

Thank you again!
