

## Buffalo Hill Golf Club E-News 1/13/2020

### From the General Manager:

Good morning!

BIG NEWS!! KGA President Randy Hinzman has appointed a special **adhoc** committee to address rebuilding greens. The committee, chaired by KGA Board member Chris O'Boyle, will also have 3 other Board members, and 3 members from the general membership.

If you're interested in volunteering to serve on this committee, Mr. Hinzman would like to hear from you by **January 24**. He plans to have the committee fully appointed by the January 29 Board meeting. If you're interested in serving, please contact Randy at 751-5004, or email [office@golfbuffalohill.com](mailto:office@golfbuffalohill.com). We're looking forward to fundraising and an action plan for rebuilding greens!

## "NEW Rental Program For Juniors!"

### **From the Golf Professional:**

For those considering buying new junior clubs for this upcoming season, remember we have a junior rental program. For \$50 a year your junior golfer can rent a set of clubs from the Buffalo Hill. This program is perfect for the junior golfer growing out of clubs too fast or the junior golfer new to the game but doesn't want the commitment of buying a new set.

If you think you will be interested, please let me know. We can size your junior ahead of time and make sure there will be a set in their size come Spring.

Also, we would love to adopt any abandoned junior sets and either find them a good home or use them in our junior programs. Bring them by the golf shop if you'd like to donate!

## **"Winter Maintenance"**

### **From the Golf Course Superintendent:**

Winter appears to have finally made it!

I'm hopeful we just stay frozen now and that we don't have any more snow, rain, freeze, thaw cycles. As per any winter it's a wait and see come the first sign of melting.

Thanks,

-- Michael Combs, CGCS
