

Buffalo Hill Golf Club E-News 1/6/2020

From the General Manager:

Good morning, and welcome to 2020!

While we've been left out of any major snow storms to this point, it looks like snow is on the way. Not that we're unhappy with the forecast, we just don't want to see rain and then a freeze cycle!

The new year brings a great deal of excitement for spring projects related to the golf course and the arrival of our brand new Club Car fleet.

Tessa and Casey are both here to take care of membership renewals and other services for 2020. And yes, we do have private cart storage available - ask Tess for details!

Remember, membership renewal forms and anything related to Buffalo Hill is available

at www.golfbuffalohill.com.

Rather talk about it over the phone or in person? Please feel free to stop up to see us - or give us a call at 756-4548 or 756-4547. We're here to serve YOU!

Stay warm and think golf!

-- Steve Dunfee, General Manager
steved@golfbuffalohill.com

"Last Call for Sweeps Redemption"

From the Golf Professional:

Happy New Year! The 2020 season is going to be great for Buffalo Hill and I can't wait.

Outstanding golf shop credit from 2018 will be taken off the books this weekend giving everyone an extra week to spend tournament winnings. Call the golf shop or stop by to confirm what you need to spend.

I'll be starting my tour around the valley bringing golf to our local schools. Last winter was an amazing experience and I can't wait to get started soon. I'll be posting pictures on Facebook as we go!

-- Casey Keyser, PGA Head Professional
casey@golfbuffalohill.com

"Managing Greens in the Winter... A Serious Challenge"

From the Golf Course Superintendent:

2020 getting a clear vision (at least with my readers on!)

Mother Nature certainly isn't giving us a clear vision so far this winter. I've been out with the squeegee and a shovel attempting to keep ice from building up. The snow / rain and then freezing temperatures has not given us an ideal winter.

We will do everything we can to have the greens free of ice and standing water.

I hope everyone had a wonderful Christmas and New Year!

Thanks,

-- Michael Combs, CGCS
mikec@golfbuffalohill.com
