

Buffalo Hill Golf Club E-News 12/30/2019

From the General Manager:

Good morning everybody,

Two more days in 2019! The years go fast and the next three months will fly. Get ready - we'll be playing golf before you know it.

Buffalo Hill has some amazingly generous members. It is my privilege to announce that two of your fellow members have made substantial and generous donations to the capital fund at Buffalo Hill Golf Club. The donors, who wish to remain anonymous, made the charitable donations through the Flathead Community Foundation (FCF) for the benefit of Buffalo Hill Golf Club. We thank these two members for their incredible generosity and commitment to Buffalo Hill. Now THAT is how to make a lasting, **positive difference!**

We are honored to be part of the FCF. Since 2010, we have raised nearly \$50,000 for the Buffalo Hill capital fund. If you're interested in making a year-end donation to the FCF for the benefit of Buffalo Hill Golf Club, please

give me a call at 756-4549. We can discuss the details of how BHGC works with the Flathead Community Foundation and how your donations may result in tax savings.

"Tree Management for Better Golf"

From the Golf Course Superintendent:

I've been busy in the shop and out on the course cleaning up debris and checking on turf conditions.

We've also been very busy with a tree management plan - largely based on suggestions from a golf course architect that we met with this past summer. If you're out walking around on the golf course, trees marked with an orange tag are being considered for removal. We also have areas slated for new trees!

Happy new year! Hope to see you soon!
