

## Buffalo Hill Golf Club E-News 2/10/2020

### From the General Manager:

Good morning,

Calling all Early Birds to the clubhouse for their 2020 season pass!

Tessa and Casey are eager to see you this week, and hopeful you'll bring in some new recruits! **Early bird ends Monday, March 2**, so be sure to mark your calendars.

Think golf! Hope to see you soon here at Buffalo Hill Golf Course.

## Introducing Juniors to the Game of Golf

### From the Golf Professional:

Thank you to those who have purchased carts out of our old fleet. We are happy to pass on a great price and believe they will serve you well. For those interested in one of our old fleet carts, please stop by and take a look. Many of them are still in great shape and would be a great value.

I have had an opportunity once again to introduce golf to our local school systems. The kids have enjoyed the experience as much as I have and are also showing interest in a sport they once had not considered. What a reward to see these kids swinging the club for the first time!

## Winter / Spring and Repeat!

### From the Golf Course Superintendent:

Obviously according to the calendar it is still winter.

Winter #1 gave us the second coldest February in record and winter #2 the 8th warmest January on record! That's why they call it climate change, because it changes!

I'm looking forward to what this spring will bring us. I'm also very excited about the greens adhoc committee! I truly believe this will help propel us into the future with an even more amazing golf course!

Thanks,

-- Michael Combs, CGCS
