

Buffalo Hill Golf Club E-News 2/17/2020

From the General Manager:

Good morning!

Does it feel like spring out there? Ok, a little bit of sunshine and dry ground here and there gets us very excited about the upcoming golf season.

Only two weeks remain (March 2) for early bird season passes. Call Tessa at 756-4548 or Casey at 756-4547. If you happen to get voicemail, they are likely with another member, but you can be sure of a return call with the hour, so please be sure to leave your name and number.

We WANT you here at BHGC! Please feel free to scan (office@golfbuffalohill.com) or fax (756-4550) in a [membership form](#) to the main office.

Thank you!

-- Steve Dunfee, General Manager

Golf Shop Sales

From the Golf Professional:

The entire golf shop is still on sale and will be for a couple more weeks. Last years inventory will soon be replaced with our Spring merchandise so now is the time to get in and take a look. Good selections still available with shoes, hats, and apparel which is all 50% off.

We still have golf carts available for sale out of our old fleet. If you are interested, please reach out to me and we can set up a time to look.

A big thanks to Lakeside Elementary for having me out last Thursday. The kids were fantastic, and I greatly enjoyed the day. We still have a few more schools to get to, but hope to see more in the next few weeks.

-- Casey Keyser, PGA Head Professional

Greens Rebuild Committee

Good morning fellow members,

First, I'd like to say that I am honored and extremely excited to chair the Greens Rebuild Committee. I wanted to take this opportunity to touch base and dispel any misinformation that may be floating around the membership and golfing community.

This committee is in the extremely early stages, nothing is finalized, and we need your input and help! As it has been ROUGHLY drafted, we are attempting to raise adequate funds before we take any action on rebuilding any greens currently in play. If and when we raise the necessary funds, we would like to begin construction on a few greens each year, but **ONLY AFTER the Labor Day Tournament. By NOT scheduling construction during the summer season** we will mitigate any

hardship on YOU, our membership, and our greens fee paying customers.

As a committee, WE are extremely excited to get this project started - its time has come! Please feel free to contact me directly with any questions, comments or concerns. As always, we invite you to attend any Board meeting or committee meeting. The more advocates and informed members we have, the greater excitement and success for Buffalo Hill Golf Course! The project can only happen WITH YOU!

Mild Winter Affects Tree Removal Opportunity

From the Golf Course Superintendent:

Late last fall we marked trees for removal per the report from Golf Course Architect Dan Hixson, but with a mild winter and now nearing spring, we likely will not be removing any trees this winter. The ground is too soft - and too much turf damage will result from heavy equipment. We'll be sure to provide an update at the April 22 annual meeting.

Think... Masters!
