

## Buffalo Hill Golf Club E-News 2/3/2020

### **From the General Manager:**

Good morning good members and friends!

Based on the groundhog not seeing his shadow yesterday, it appears we may have any early opening this year! We have very little snow on the course, and Superintendent Mike Combs and crew have been busy removing snow, ice, and standing water on the Championship 18 greens.

It's membership time! Tess and Casey are eager to help with your renewal or new membership! Call, scan, fax or drop up and see us!

Thank you to the four members from the membership who have volunteered to serve on the "Greens Rebuild" ad hoc committee. All are long-time members who want the best for BHGC. The committee members are: John Gunnerson, Ryan Santa, Jim Schaible, and Sean McGrath. In addition, the entire Board of Directors will also serve on the committee chaired by Chris O'Boyle. Planning meetings will begin early this month with a status report to the membership at the annual meeting on Wednesday, April 22.

Finally, reminder that February 15 is the last day for nominations to the KGA Hall of Fame.

Have a great week, and think golf - think MASTERS!!

-- Steve Dunfee, General Manager

## "Fleet Carts for Sale"

### **From the Golf Professional:**

We have a good selection of 2008 fleet cars for sale! Our goal is to help our wholesaler move the cars in the next 30 days as our new fleet is scheduled to arrive mid March. The golf cars have been well maintained and priced to move at a great price.

Please call me at 756-4547, or email me if you're interested!

Thank you!

-- Casey Keyser, PGA Head Professional

## "Fighting the Freeze"

### **From the Golf Course Superintendent:**

We have made it through a round of shoveling snow and ice off the greens. We had a few areas where the ice was thick. I'm hopeful we got it off the greens soon enough to avoid damage. I believe our efforts will have made a significant difference.

We will know the results when it warms enough for everything to start growing.

That said, I've got an amazing staff that has been so helpful in getting the ice off! Thanks Polly, Tony, and Daryl!!!
