

Buffalo Hill Golf Club E-News 3/9/2020

From the General Manager:

We had a very successful early bird membership drive for 2020. Thank you for all your help with recruiting new golfers to Buffalo Hill!

Be sure to put April 22 in your calendar reminders for the KGA annual meeting and Hall of Fame induction ceremony, which will begin at 6:00.

As you've read this past weekend, Mike and the crew are busy with preparing the driving range for this Wednesday, and Cameron 9 as early as Friday - weather dependent. Keep your eyes and ears open for any developments!

Finally, I'd like to thank all members and the local business community for their amazing support of the clubhouse this past winter. Private parties continue to be a huge part of the BHGC F&B department - no question that the clubhouse is an outstanding venue for family and business gatherings! Keep us in mind for any type of event you may have throughout the year.

Think golf!

Steve

-- Steve Dunfee, General Manager

Driving Range Open This Wednesday!

From the Golf Professional:

Yes! The range is opening this Wednesday! Unfortunately, another winter blast is coming this weekend, which will most likely shut us down. Moving forward we will monitor the weather, and if appropriate, the range will be open again.

Outside of the driving range, the golf course will remain closed until Mike and the crew do their prep work! The clubhouse and pro shop are open, so come on up for a look around!

-- Casey Keyser, PGA Head Professional

Buffalo Hill Men's League is Organizing for 2020

**Men's League will have their Captains meeting on
Thursday, March 19th @ 5:30 PM in the Clubhouse.**

At this meeting the 2020 season will be reviewed and captains will set fees, schedules, and verify returning teams for the 2020 season. All team captains or a representative are urged to attend. Anyone interest in forming a new team should attend as well.

For further information you may contact:

Debbie Hadley –Men’s League Coordinator

Greens Rebuild Committee

Good morning BHGC members!

The Greens Rebuild Committee would like to thank those members that made donations during recent membership drive. While we are in the beginning stages of fundraising, we are confident that we will raise enough funds to complete the first couple of greens this fall. Let's rally and fully fund our first year, \$150,000 goal! Every dollar counts, so whatever kind of donation you can make, we sincerely appreciate your support!

Other types of funding discussed by the committee include grants and philanthropic giving. If you have expertise in grant searches and grant writing or philanthropic giving, please give me a call or email. We could use your professional skills!

KGA is a tax-exempt organization under IRC 501(c)(4), but since the course is owned by the City of Kalispell, municipal grants may be easier to locate and have more potential. The City has also agreed to help out with grants searches. The more people we have involved in the grant search and writing, the better opportunity we'll have to secure a grant.

Thank you for your support and passion for the future of Buffalo Hill Golf Club.

Sincerely,

-- Christopher O'Boyle
Chairman, Greens Rebuild Committee

Prepping the Greens for Opening

From the Golf Course Superintendent:

We made some good progress getting the Cameron cleaned up. There are still a few spots of ice, greens are frozen a bit still, and we have solid blocks of ice in the cups.

We've made a much progress on the tree plan for this late winter and nearly spring as we could. We've got some areas opened up for sunlight and air movement for the grass!

We are close to opening!!

Thanks,

-- Michael Combs, CGCS
mikec@golfbuffalohill.com
