

Buffalo Hill Golf Club E-News 4/29/2020

From the General Manager:

Great golf weather this past weekend - nice to see the tee sheet full of energetic and enthusiastic golfers!

As we move forward with the updated COVID-19 procedures, we'd like to caution everybody to take nothing for granted. Let's continue to observe rules set for golf courses to remain open.

Thank you for your support and for making this difficult time manageable.

-- Steve Dunfee, General Manager

Pro Shop to Reopen with Limited Shoppers

From the Golf Professional:

With the recent announcement from our governor on "Phase 1" of the reopening process, we are now allowing shoppers, two at a time, to browse the golf shop. Daily check-ins will continue at the West golf shop window while shoppers may enter through the East door upon request. This year we have a great selection of clubs, shoes, shirts and hats. Stop in and check it out!

Invites for this year's Flathead Valley Match-Play event were sent out via e-mail last week. If you did not receive one and would like to receive future tournament invites, please let me know. Otherwise, please go to www.fvmp20.golfgenius.com to register. All entries for this event and others throughout the season will be done online. If you have any questions regarding the process, do not hesitate to reach out.

Friday Night Mixers will begin May 8th and you may register with the golf shop anytime next week.

Food and beverage will be available after the round with limited seating on the patio. Exciting!!

Ladies Clinics are still postponed until further notice. We will keep everyone posted with weekly updates

Leagues are delayed due to COVID, but league administrators will be in touch with captains for updates.

Starting this Friday, May 1st , we will begin to take tee times over the phone and online at 7:30 A.M.

Another Week of Reminders!

From the Golf Course Superintendent:

To help insure we have smooth greens please repair your "ball marks" also referred to as "pitch marks". If you are unsure of how to properly fix your ball or pitch mark please ask, I will be happy to show you!

We have not put seed into the divot mix yet as temperatures aren't quite there for good consistent germination. However this is a great time of year to just replace your divot after you've hit that perfect shot next to the flag!

Enjoy your round!!

Thanks,

-- Michael Combs, CGCS
mikec@golfbuffalohill.com

Food & Beverage Service Updates

From the Food & Beverage Manager:

Happy days are here again! Effective Monday May 4th the clubhouse will open. There will be limited seating available in both the clubhouse and on the patio in accordance with the MT State Health Department mandates. No more than 6 guests per table are allowed, and all tables will be stationed at minimum 6 ft apart. Sitting or standing at the bars/counters is NOT allowed. All food and drink will be served to guests at their tables.

As we learn more we will provide you with more details on how the F&B operations will evolve. We are certainly looking forward to seeing you and serving you once again!

-- B.J. Newgard, F&B Manager
bj@golfbuffalohill.com

RESTAURANT HOURS:

* Opening Monday May 4th. Please feel free to call about private parties once we are back to normal operations!
