

Food & Beverage Closing – Range Remains Open

Good afternoon fellow golfers,

In response to the recommendations of the Flathead County Health Department and other local health administrations we will be closing the Food & Beverage portion of the clubhouse until further notice (from FCHD.) Thank you for your understanding as we work to minimize any potential risk to our members and staff, as well as our community.

The range will continue to open to members only at **12:00 PM daily, with the last ball hit at 6:00 PM.** Please check our message board or call ahead in the event of inclement weather and how it may effect these hours.

The Cameron 9 will also be opening (weather permitting) in the coming week! Keep an eye on your E-News and our website for more updates.

Again, we are asking that you limit your time in the pro shop as much as possible; range balls will be stationed outside in an effort to practice safe social distance. Please remain home if you are feeling under the weather.

If you have questions about the status of course openings/closures please check our [website](#) or call ahead for updates.
