

## Buffalo Hill Golf Club E-News 5/11/2020

### **From the General Manager:**

Thank you for your amazing support of our Mother's Day brunch! Chef Carl and the entire food and beverage crew were delighted to serve 165 appetites!! Not bad considering that we are still in Phase 1 and only open to half capacity. *We appreciate you!*

The Board of Directors will meet on Wednesday, May 13th, at 4:00 PM to discuss the June 17th annual meeting. Concern is for the capacity limits imposed under COVID-19 and for the members of BHGC. A special announcement will be made late this week with decisions related to the annual meeting and the Hall of Fame induction.

The bar and restaurant is now open 7 days a week - thank you for your support. As we move forward, keep your eyes and ears open about an awesome "after 2:00" food menu! Chef Carl has worked hard developing this menu and we all look forward to serving you!

Enjoy the great game of golf, take a lesson with any of our PGA Golf Professionals, and see your scores improve!

## Dick Seddon Scramble Registration Open!

### From the Golf Professional:

The new World Handicap System is requiring all golfers to post their scores the day of their round, but the MSGA will have a relaxed stance on this policy throughout the start of the season as many are still familiarizing themselves with the system. Regardless, it would be good practice to post your scores directly after your round, whether on our clubhouse kiosk, on your phone, or at home on your PC. If you have questions on how to post scores online, please let us know. Even for the least computer savvy, the process is relatively simple.

This year's **Dick Seddon Scramble** is on **June 14th**. It will be a two-person scramble and by tee times to help with social distancing. Registration is open online at [www.seddon20.golfgenius.com](http://www.seddon20.golfgenius.com). Sign in prior to registration with GGID: **SEDDON20**

Both Paul Spade and Loren Tinseth had recent aces at Buffalo Hill! Paul had his first hole in one after 40 years of golf on hole #12 and his long-time golf partner Ron Moranski was there to see it happen. Loren added a second ace to his golfing career after his first swing of the 2020 Semitool League season went in the hole on #1 Cameron. Witnesses to the ace were Doug Carr, Craig Nelson, and Aaron Schwartzau.

Great job and congratulations to you both!

## Progress on the #5 Tee

### From the Golf Course Superintendent:

We got the sod down on #5 tee! Now we wait for roots to grow so it will have the best chance we can give it for survival.

Dandelions will be treated for removal and we will also be fertilizing the course on Monday.

Those of you that feel the need to spit your sunflower shells on the greens PLEASE STOP, ITS INCREDIBLY GROSS AND DISGUSTING!

Thanks,

-- Michael Combs, CGCS
