

Buffalo Hill Golf Club E-News 5/18/2020

From the General Manager:

With the warmer weather and certainly a good dose of rainfall, the course is greening up nicely for all of us to enjoy.

Just a few reminders:

1. The KGA annual meeting which was scheduled for June 17, is postponed until further notice. We'll keep you up to date through our email announcements and website/FB posts. The 10 day notice will also be sent to members when a date is declared.
2. The Hall of Fame induction for Janie Fagerland is postponed to 2021.
3. The clubhouse is now open to half capacity, but don't let that hold you back - we have lots of room!

4. Now that the clubhouse is fully open, the patio bar will be open as weather improves. We will also have it open for groups, events, and upcoming Friday night BBQ's! We'd love to have both open at the same time, but with effects of COVID-19 on our revenue and expenses, our mission is to be good stewards of our financial resources. Hopefully, we'll see tourism rounds kick in soon once travel restrictions are lifted.

Enjoy the great game of golf with your friends and family!

-- Steve Dunfee, General Manager

- Men's League Updates -

After several weeks of trying all kinds of different scenarios, the facts remain the same. It is impossible to plan for the season we find ourselves in. I am sad to report that we are canceling the 2020 Buffalo Hill Men's league season.

I am hopeful that next year we be back to normal and Men's league will be underway without any issues. I do hope you keep Thursday nights as your night to continue to meet up with your team mates and friends. There will not be tee times blocked off, but you can call in and make a time if you want to.

Please continue to support the Pro Shop, Bar and Restaurant, and get out and enjoy our beautiful golf course.

Thank you for your patience.

-- Debbie Hadley
Men's League Coordinator

2020 Ladies Clinics Almost Here!

From the Golf Professional:

The Flathead Valley Match-Play bracket is up on the golf shop window as well as [online](#). Good luck to everyone this summer!

Our 2020 Ladies Clinic will begin June 1st and 2nd with our two free clinics for those who would like to join us. At that time, we will begin taking registrations for the remainder of the summer long clinic. If you are planning on attending either of the two free clinics, please give us a call in the golf shop and let us know. Spots are limited!

Registration for the Dick Seddon Memorial Scramble is available [online](#).

This year's Ladies Invitational has been postponed and as of now, a future date has not been set. This was done in an effort to provide the best experience possible without limiting the field. We hope the later date will give us great weather with a safe and healthy environment.

Remember everybody, tee times may be booked online and in the Pro Shop at 7:30 AM - 3 days in advance. Please do not book online before 7:30 AM. Thank you for your cooperation!

-- Casey Keyser, PGA Head Professional

#5 Tee Progress

From the Golf Course Superintendent:

5 tee is progressing nicely! However if you think it's okay to hit off of it's NOT! Last week someone decided to disrespect all of my crew's hard work! With all the signs to stay off the rope and stakes up to keep people out and off we still had someone think they are better than all and use the tee. How sad we have people so disrespectful.

If you know the person who keeps spitting sunflower seeds on the greens please tell them to stop!

With all of the extra cart traffic we are trying to direct you away from areas of play so we can keep the course in as good of shape as possible. Please pay attention to the

cart directional signs and once you are close to the greens please keep your cart on the paths.

Thanks,

-- Michael Combs, CGCS
