

Buffalo Hill Golf Club E-News 5/25/2020

From the General Manager:

Good morning golfers!

I hope you're all enjoying the Memorial Day weekend with family and friends. While temperatures are still a bit on the cool side, it appears that warmer weather is on the way this week - 80 degrees by Friday!

On behalf of all of us at BHGC, thank you for your support of the pro shop, and food and beverage operations. We are now open and depend on your support more than ever!

Casey Keyser has a fully stocked Pro Shop with a great selection and low prices. BJ Newgard and the F&B team is anxious to serve you and your group. Be sure to stop in before and/or after your round.

Have a great week and remember to sign up for the Dick Seddon Scramble!

Junior Buff Summer Camps Coming Soon!

From the Golf Professional:

The **Dick Seddon Memorial Scramble** is on June 14th this year. Don't forget to register online at www.seddon20.golfgenius.com. This year's event will be run from 8:00 A.M. to 12:00 P.M. by tee times. Tee time requests will be honored in the order they are received, so register sooner than later if you would like a specific tee time on that Sunday.

The **Junior Buffs Summer Camp** is scheduled for three weeks in June. The camp will be scaled down dramatically from previous years and while group sizes will be small, those juniors participating will receive more hands-on training and ultimately a superior learning experience. If you are interested please go to www.jbsc20.golfgenius.com for more information and to register your junior. Spots will likely fill up very soon!

The driving range is finally back on grass!! Thank you for accepting the mats this Spring and understanding it was for the long-term health and sustainability of our beautiful driving range.

Range hours are now 7:00 A.M. – 8:00 P.M. except for Mondays in which case the range will close at 6:00 P.M.

"Thankful!"

From the Golf Course Superintendent:

For all the positive comments my crew and I have received from our members! We all truly appreciate the positive feedback.

#5 tee isn't quite ready yet. At best we are a week away. I don't like the mat either but, we would have zero turf left on the forward tee if we weren't using the mat. Unfortunately, many people have not used the mat as evidence of divots show in front of the mat.

Thanks,

-- Michael Combs, CGCS
