Good morning golfers!

Welcome back inside the clubhouse! As you're aware, starting today, we serve food and beverage inside the clubhouse, but at 50% capacity - we're grateful for that!

Golf Shop Open with Limited Capacity

From the Golf Professional:

Our **Ladies Clinic** will begin when "Phase 2" of the reopening process begins. We will update everyone

on our contact list and through the e-news when that time comes.

Friday Night Mixers begin this Friday... yes! Food on the patio will have to wait for a few more weeks but still exciting to get the 2020 season started.

Registration for the **Flathead Valley Match-Play** is still going on. Please go to www.fvmp20.golfgenius.com to register. Remember to sign in prior to registration with GGID: **FVMP20**

This year's **Dick Seddon Scramble** is on June 14th . It will be a two-person scramble and by tee times to help with social distancing. Registration is open online at www.seddon20.golfgenius.com. Sign in prior to registration with GGID: **SEDDON20**

The golf shop is open for shoppers upon request. Currently we can only have 2 shoppers at a time and until that restriction is loosened, we will continue to operate through the West window.

Thank you for your patience and understanding.

#5 Tee Updates & Spring Seeding

From the Golf Course Superintendent:

As many have noticed, we determined that #5 Champ tee had to be redone. We have sod being delivered on Wednesday and it will take several weeks before it is rooted well enough for play to resume on the tee.

We are finally seeing a little more consistent weather for the spring. We will be seeding the areas on #1 and #4 in the near future as ground temperatures start rising.

Hopefully soon we will see the flag sticks / cups return to a more normal use.

Thanks,
