

Buffalo Hill Golf Club

E-News 6/15/2020

From the General Manager:

As you're all aware, COVID-19 has had a dramatic impact on our 2020 operations. We continue to closely monitor all operating expenses, and capital expenditures are on hold until the fall when we have June, July, and August behind us. We'll then have a much better idea of the peak season performance and the shortfall that we'll need to address. The good news is that we did receive PPP funds from the SBA, and we've applied for EIDL assistance as well.

We can all make a difference with your support of BHGC by bringing your family and friends for rounds of golf. Buy your golf supplies and equipment in the pro shop, and of course, we all have to eat and drink, so your support of the F&B operation is greatly appreciated. The "after hours" food and beverage menu offered by Chef Carl is another great way to support the club. There is no question that our shortage this season can be offset and minimized if we all do our part - thank you for your support as always!

Finally, we'd like to place an order for more engraved pavers for the patio! If you're interested in a paver at any level/price, please call Tessa in the main office at 756-4548. Father's day is this Sunday - what a great gift idea to have his name etched in stone on the patio!

Have a great week at BHGC!

-- Steve Dunfee, General Manager

Thank You to All Who Played in the Seddon Scramble!

From the Golf Professional:

A big thank you to Carol Seddon and everyone that played yesterday in the Dick Seddon Memorial Scramble. The turnout was great, and the golf course sincerely appreciates the support. Thank you!

Tim Howes will be here this Sunday, June 21st with the latest equipment from Callaway. The new Mavrik line has been a top seller this year and worth a test drive if you are in the market for some new clubs. Stop by anytime from 11:00 AM – 3:00 PM and Tim, Harrison, or myself would love to help you out.

This Friday at 9:00 AM we will have our Little Buffs junior class which is for golfers 6 years old and under. This free class will cover grip, stance, and simple swing instruction with our SNAG equipment. Please call the golf shop to register!

In the absence of Men's League this year, we have put together a small, casual, and fun game every Thursday night from 5:00 AM - 7:00 PM. The 2-Person formats will vary week to week and the cost is \$10 per player. Please contact the golf shop to make a tee time or to find out more information about the game. We would love to have you come!

-- Casey Keyser, PGA Head Professional

Thank You for All the Support!

From the Golf Course Superintendent:

My crew and I received a wonderful card from many of our members and we are all so grateful and are humbled by your kindness!!

#5 Tee is getting close, but sadly those roots just aren't deep enough to hold against us hitting tee shots yet. I thought for sure by now we would be using that tee. My apologies and thanks for your patience.

Just gotta say - I've seen enough wind already this year!

Thanks,

-- Michael Combs, CGCS
