

Buffalo Hill Golf Club E-News 6/22/2020

From the General Manager:

Good morning golfers,

We see our share of pars and birdies out on the golf course, and even eagles once in a while, **but BEARS?** Well, once again, as we have seen occasionally coming down from the river, there was a bear on #6 Cameron on Saturday night. The FWP was called immediately and we haven't see him again!

Our call out for engraved patio pavers was well received! **If you'd like to get in on this order, we plan to send to the engravers on Wednesday.** Please call Tessa at 756-4548. Thank you for your continued support of the patio paver program.

Finally, we've been reminded that COVID-19 is still a serious concern, and that we all need to do our part to keep it from spreading. Remember to keep social distancing in mind and to wash your hands frequently. We are still in Phase II and want to see Phase III as soon as possible.

Thank you once again for all your support of the Pro Shop and Food & Beverage operations at BHGC. Please keep in mind that we have an "After Hours" menu that Chef Carl has worked hard to implement. Show your support - plan to enjoy some tasty food between 2:00 PM and 7:00 PM throughout the week.

Summer is here - have fun playing golf at BHGC!

-- Steve Dunfee, General Manager
steved@golfbuffalohill.com

Summer is in Full Swing!

From the Golf Professional:

PING Demo Day is taking place this upcoming Sunday from 11:00 AM – 3:00 PM. Please contact the golf shop to reserve a time slot if you would like a free club fitting from Jacob Clay. Otherwise, feel free to stop by and hit a few with the latest from PING.

Junior Club Championship entry forms are available in the golf shop. If you know a junior that would like to play, please grab an entry form or go online to www.jrclub20.golfgenius.com to register.

The Alice Ritzman tournament is only a few weeks away! This year's event will be scheduled by tee times rather than a shotgun start as it has in the past. Tee times will be given when the entry form is turned in, so be sure to get your entry form in as soon as possible to secure a specific time if needed.

To kick off the official start to Summer, **all apparel will be 25% off through the end of June.** As always, we sincerely appreciate the support in the golf shop.

"Ball Marks!"

From the Golf Course Superintendent:

This past week I've found myself in a new place! Walking on the moon, but then I realized I was on the golf course and actually on a putting green. PLEASE REPAIR YOUR BALL MARKS! It will help your playing conditions if you bend over and repair those ball marks.

When the course is wet from rain or early morning dew, be very cautious driving a golf cart. We have lots of slopes and carts can spin easily, potentially tipping over and severely hurting you and your passenger. It can also cause damage to the course.

My staff and I have been working hard to give you good conditions to play on, but we need your help with above mentioned to make it better.

Thanks,

-- Michael Combs, CGCS
mikec@golfbuffalohill.com
