

Buffalo Hill Golf Club E-News 8/17/2020

From the General Manager:

Good morning!

What amazing summer golf weather! While morning tee times are prime, the afternoon makes for a great August golf experience (just think of your thoughts in January). So get out there this week and enjoy the great game of golf!

We are still working on the 2020 annual business meeting which is required of the KGA By-Laws. As you're all aware, COVID-19 has placed challenges on our ability to hold the meeting at the clubhouse, observe social distancing, and other details as outlined in the Governor's Directive. We WILL hold the meeting soon as there is required business on the agenda. We'll keep you

informed via the Monday E-News and will also send out a special announcement.

Finally, a huge thank you to all of our members and guests for your incredible support of the Friday night BBQ's! Last Friday's BBQ with 100 attending was one of the best of the season. If you haven't had the opportunity yet, be sure to put it on your "things to do" before the end of September! And remember, the "Patio at Buffalo Hill" is here to serve you and your business associates, friend and family every day of the week with happy hour from 5:00 to 6:00 PM. It's just an awesome venue for relaxing and enjoying the beautiful environment of Buffalo Hill Golf Club!

Hope to see you here!

Labor Day Tournament Coming Soon!

From the Golf Professional:

Labor Day is quickly approaching so do not forget to get your entry in. Feel free to fill out and drop off in the golf shop or register online at www.laborday20.golfgenius.com. Every entry is a huge part of the success each year and we sincerely appreciate the support.

We have had two anonymous donors step up and offer to pay the entries of roughly 12 juniors into the Labor Day tournament this year. If you know of any deserving junior who would appreciate the opportunity, please reach out. It would be great to see a strong junior contingent this year.

The Legends tournament is on August 30th this year and entry forms are also available in the golf shop. Feel free to register online at www.legends2020.golfgenius.com. This event helps support FHS and GHS golf and is a great way to show your support.

Another Blast of Heat!

From the Golf Course Superintendent:

You will most likely see a little extra water running in the mornings as we try to keep our dry spots to a minimum.

I've had several people lately asking what are the greens stimping at? I rarely use the device because most people don't know the difference from 9' to 10' (that includes most tour professionals as well). What you see is a tiny bit more ball roll out. So here are numbers - prior to rolling, just after mowing they were 9.75 to 10' immediately after rolling they ranged from 11.25 to 11.5. This was Sunday morning numbers. We typically roll both days on the weekend during our busy season.

Thanks,
