

## Buffalo Hill Golf Club E-News 8/3/2020

### **From the General Manager:**

Good morning!

Summer is alive and well in the Flathead Valley, and so is GOLF! Buffalo Hill is seeing amazing support from the local community with rounds in July on par with 2019. The Cameron 9 and driving range are doing exceptionally well. So to all our members and guests, we extend our sincere thanks and appreciation for your support during this wild 2020!

We have another few months of hitting the little dimpled ball, so let's get out there with friends and family to share and create memories for a lifetime!

Speaking of sharing, if you ever have a photo that you'd like to share with us, we're always looking for content for

our social media pages and website! Please send to [steved@golfbuffalohill.com](mailto:steved@golfbuffalohill.com) along with a brief description of the photo and who should have the photo credit!

Enjoy your time at BHGC! We sincerely appreciate you.

## The Course is Ready for Tournament Play!

### From the Golf Course Superintendent:

We've got a couple minor things to get finished and prepped but, we are heading in a great direction for great playing conditions!

Green speeds will remain where we are at for typical weekend play. The speeds still allow for fun pins without being impossible to putt too.

#5 tee will open up this weekend and we will monitor its health as play begins. We might periodically close it off in an attempt to keep healthier turf.

#18 fairway needs a little more seed in some spots to get some thicker turf for play. Ropes will be coming down soon.

Good luck to our club championship players this weekend!!
