

## Buffalo Hill Golf Club E-News 8/31/2020

### **From the General Manager:**

Good morning golfers!

Looks to be another fabulous week for golf - and for the Labor Day Tournament this weekend! Remember, we WILL have a Friday night BBQ as usual this Friday night with Chef Carl offering a delicious entree and mouth watering dessert. Stay tuned for the BBQ menu announcement on Thursday afternoon.

Hey, last call this year for engraved pavers on the patio! We have an order ready to go for Friday, so if you'd like to have your name or a VIP etched in stone, please give Tessa a call in the main office at (406)756-4548. She will walk you through the simple process in a matter of minutes and get your order in with this last batch of the season. Thank you for your support of this awesome program.

The Board of Directors met last week and decided to leave the 2020 annual meeting "on hold" at this time. If there are any changes or new developments, a special announcement will be made via electronic and USPS mail. The Board extends their appreciation to the

membership for their patience and understanding of this COVID-19 related delay.

Have safe and enjoyable week playing golf at the best course in the Flathead!

## Labor Day Week is Finally Here!

### From the Golf Professional:

Labor Day week is finally here! The tournament will have a sizable field this year which is fantastic. Registration is due by Tuesday if anyone is still considering. Tournament packets and Saturday tee times will be sent out on Thursday. Practice rounds for Friday can be scheduled at any time this week. Looking forward to a great weekend with perfect weather.

Thank you to everyone who played in the Legends tournament on Sunday. We raised some money for our local High School golf teams which will help pay for team golf balls.

Congrats to Nic Chaffey and Colter "Corn Dog" Hanson on their win over Ryan and Josh Buls in the championship match of the Flathead Valley Match-Play event. We had a full field this year and some great matches to go with it. Payouts will be in the form of pro shop credit this year and are available to use anytime.

## Here We Are at Labor Day!

### **From the Golf Course Superintendent:**

What a year it has been!

This is really the pinnacle of our season - from all parts of our business!

I feel blessed with all of my staff and what they have accomplished.

Regarding pin locations 10, 11, & 15 - because the greens are so shallow in depth, we've decided that it makes more sense to go from right to left in colors. When you split these greens in 3rds - front middle back - it doesn't fit well, however, right, left, middle, gives us some ability / flexibility in pin locations. I would be happy to meet with anyone to look at these greens and discuss this more after Labor Day.

Good luck to all the participants in Labor Day 2020!!
