

## Buffalo Hill Golf Club E-News 9/14/2020

### **From the General Manager:**

Good morning!

As you're likely aware, BJ Newgard has announced his retirement after a stellar 53 year run at BHGC. While we'll all have an opportunity to thank BJ for his amazing career, I'd like to thank the membership and business community for the thoughtful emails received this past week congratulating BJ on his retirement. Stay tuned for more as we make arrangements for a proper "celebration" and to honor BJ on his well deserved retirement.

Several members have inquired about fees for 2021. The Board has this matter on the September 30th Finance Committee agenda. Hopefully a decision can be made at that time, but if not, you can be sure that an announcement will be made soon thereafter. Thank you all for your interest and support of BHGC!

Casey has pro shop inventory marked down with DEEP discounts, and would love to see very little stock in the pro shop on December 31. Get in on the end of season sale and help him make room for 2021 arrivals!

Here's to beautiful colors provided by the one and only Mother Nature! Enjoy the great game of golf with friends and family here at BHGC!

## Ladies Invitational & End of Season Sale!

### From the Golf Professional:

Our Ladies Invitational is scheduled for this coming Sunday, September 20. The field is limited to 24 teams so be sure to submit an entry soon. Entry forms can be filled out and submitted in the golf shop.

The Backwards Mixer is coming up on Sunday, September 27th. Call the golf shop to submit your team. We are planning for a 10:00 AM shotgun, pending any frost that morning.

In the absence of the Can-Am this year, we have scheduled the "Buffalo Blender" on October 4th. The Championship 18 will be rerouted into a challenging 14-hole venue with outrageous pin locations. This 2-person scramble will be a fun way to finish out our tournament calendar. You won't want to miss it! Sign up [online](#) or fill out an entry form in the golf shop.

## Aeration Time - Volunteers Needed!

### **From the Golf Course Superintendent:**

We are a week away from aerating the greens and collars. It will be a significant process with our small staff. We are kindly asking for any volunteers to help with backpack blowing and other assistance to complete this required and much needed maintenance. Please send me an email at [mikec@golfbuffalohill.com](mailto:mikec@golfbuffalohill.com) if you can help. THANK YOU!!

The greens have held up well this summer with the use of our new air injection aerator, however, they are in definite need of being core aerated! We will use 5/8" tines like last year.

Please be patient with us as we get through this process! To help accommodate golfers, we WILL keep parts of the golf course open during aerification. We will publish in next Monday's enews.

Thanks,

-- Michael Combs, CGCS
