

Buffalo Hill Golf Club E-News 9/28/2020

From the General Manager:

Good afternoon!

We have a busy week ahead as all committees will meet on Wednesday afternoon starting at 4:00 PM. The House and Finance Committees have particularly busy agendas. As mentioned last, we hope rates will be approved on Wednesday night, but this is no easy task for the Board. They take this responsibility seriously, and fully understand that they represent the entire BHGC membership.

We have another good month for golf - get out there and enjoy the great weather this week. As a bonus to your golf game, take in the beautiful colors and amazing environment that we love so much.

Have a wonderful week everybody!

The Buffalo Blender is Almost Full!

From the Golf Professional:

It was nice to see everyone yesterday for the **Backwards Mixer**. We had record attendance throughout the season and most likely set the record yesterday as well. A big thank you to everyone who played and supported the Mixers this year!

Only two spots left in the Buffalo Blender as of this morning, so please submit your entry if you plan on playing. For more information, and to go register, go to www.blender20.golfgenius.com.

Our Fall sale is still going on in the golf shop. All apparel and golf clubs are on sale. Now is the time to buy!

Aeration Rescheduled Due to Weather!

From the Golf Course Superintendent:

My apologies for #8 on Sunday!

What a great turn out for the Backwards Mixer! Again I apologize for #8! Had I remembered to not have an employee #8 the big cup on top would have been great, however, you all know the rest of the story!

Aeration got foiled by Mother Nature and our weather forecasters. SHOCKING!

We will get everything finished this week barring weather and breakdowns - fingers crossed!

I thank you all for your patience!
